Dear Mr. President:

I am typing this letter to you concerning Mr. William J. Casey, March 13, 1913 - May 6, 1987, who was a patriot and public servant. Mr. Casey's contribution to his country's security — over a forty-five year period, in war and in peace — will endure well beyond the Iran-Contra affair. As it should.

The William J. Casey fund for the Nicaragua freedom fighters is a worthy memorial. The aforementioned fund should be vigorously supported!

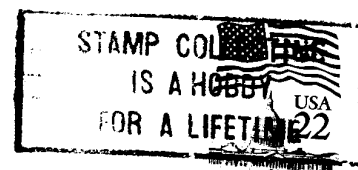

With personal regards, I remain

Respectfully yours,
